⊘ Complete

Complete: This symbol will appear beside all requirements within the audit that have been completed. The row will be highlighted in yellow and will display the course(s) that fulfilled the requirement along with the grade and term the course was taken.

◯ Not complete

Not Complete: This symbol will appear beside all requirements within the audit that have not been completed. The row will be highlighted in red and will indicate the course(s) that will complete the requirement.

◐ Complete (with classes in-progress)

Complete Except for Classes In-Progress: This symbol will appear for requirements where students are currently registered for the class(es) needed to fulfill the requirement. The row will be highlighted in blue and will display the course that will fulfill the requirement once completed, along with the grade "INPR" and the term that they are registered for the course.

⚠ Nearly complete - see advisor

Nearly Complete – See Advisor: This symbol will appear when requirements are almost complete, however there's a component that may not be met. For example, if it's the last course of a set of four, but the minimum GPA for the four classes is a 2.00, and the student currently has a 1.97 within the three graded courses, the requirement may not complete if the student only receives a C in the fourth course.

@ Any course number

@: Any Course Number. The "@" symbol represents all classes when used as a prefix and can also be used to represent all course numbers when it follows the course alpha. When the "@" symbol precedes a range of numbers, any course within that number range will fulfill the requirement (@ 3000:5999).

(R) Repeated class

(R): This symbol displays next to a course that the student has repeated.
