Transfer Plan for Oakland Community College
Exercise and Sport Science—B.S. Degree
College of Education
coe.wayne.edu (313) 577-1601

This transfer plan will help guide you in making the transition from community college to Wayne State University. <mark>WSU **strongly** recommend that all transfer students to meet with a WSU advisor to ensure you are taking the correct courses before transferring</mark>: https://coe.wayne.edu/admissions/undergraduate-advising.php

One of the main areas of focus for transfer students is the WSU **General Education Requirements.** These are classes in addition to courses within your major that are required to ensure fundamental skills and a well-rounded education. There are two ways that transfer students can meet these requirements:

Michigan Transfer Agreement (MTA)

A student whose community college transcript is endorsed as "MTA satisfied" has completed WSU's General Education Requirements. See here for specific MTA information and courses that qualify for MTA:
http://catalog.oaklandcc.edu/graduation-requirements/michigan-transfer-agreement/

Direct Course Equivalencies for each category

- If you do not have an MTA endorsement, you can transfer the courses below to meet each requirement.
- Choose **one** from each category **except** for the Natural Scientific Inquiry, which requires **two** courses.
- Courses with an **asterisk (*)** fall under more than one category, but these courses will fulfill only <u>one</u> category that would benefit the student most.
- Courses below may be part of the major requirements. See under Major Requirements on page 2.
